popham+  
is a collection  
of handcrafted  
luxury pieces  
for the home

by popham design  
in Marrakech

A close-up photograph of a brass bowl containing a wooden mallet head, resting on a piece of rough-hewn wood. The brass bowl has a mottled, aged appearance with various shades of gold and brown. The wooden mallet head is dark and shows a clear wood grain. The background is a soft, out-of-focus grey.

Caitlin and Samuel Dowe-Sandes, founders of the contemporary concrete tile company popham design, have called Marrakech home for over 15 years. For many of those years, they envisioned creating a collection of luxury handmade products for the home to complement the tile collection. popham design is proud to debut a capsule collection informed by the artisanship of Marrakech and beautiful materials like brass, leather and stone, all imbued with a degree of playfulness.

## PLUS LIGHTS

We call the light that emanates from these sconces the holy-moly glow. That's right. For the all-brass version, light leaks from slashes cut into the sides of the Plus and haloes it from behind. Its marble counterpart has an ethereal glow. Created entirely by hand by our popham+ brass team, the sconce ships with an integrated high-CRI LED installed.

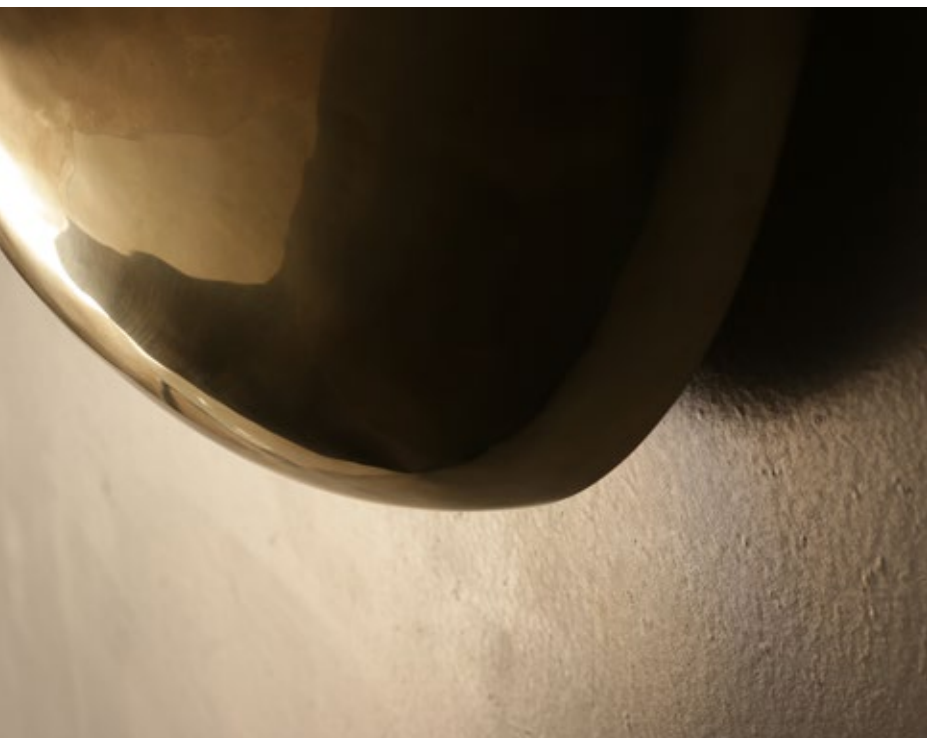

**MATERIAL** brass and marble  
**FINISH** brass available burnished, polished or blackened  
**LARGE SIZE** 40 x 40 x 13 cm  
**SMALL SIZE** 30 x 30 x 11 cm

## GOLDEN EGGS

These Golden Eggs are sculpted from 1mm brass and come in three sizes – small, medium and large. Hung solo or in a hen party, they give a soft, ambient glow wherever they are installed. The sconces are made entirely by hand by our team of popham+ artisans in Marrakech. Twenty hours go into the production of each golden egg. The sconce ships with an integrated high-CRI LED installed.

**MATERIAL** brass  
**FINISH** available burnished, polished or blackened  
**LARGE SIZE** 52 x 33 x 16 cm  
**MEDIUM SIZE** 46 x 29 x 14 cm **SMALL**  
**SIZE** 40 x 25 x 12 cm

## CUBE LIGHT

With slashes of brass cutting across its white surface, the Cube Light has a warm, ethereal glow when lit, and doubles as an occasional stool, or a side table. Useful and handsome. And yes, a bit heavy. The marble is quarried in the Atlas Mountains of Morocco. Given the variation in veining, color and pattern of the stone, each cube light is unique.

**MATERIAL** marble, brass  
**LARGE SIZE** 40 x 40 x 40 cm  
**SMALL SIZE** 20 x 20 x 20 cm

## PICK-UP STICKS

Is it a sculpture? Is it a hat rack? No, it's a light inspired by the children's game, with a random, sticks-thrown-at-the-wall look. Created entirely by hand by our popham+ brass team, the sconce ships with an integrated high-CRI LED installed.

**MATERIAL** brass

**FINISH** available burnished, polished or blackened

**SIZE** 114 x 188 x 6 cm

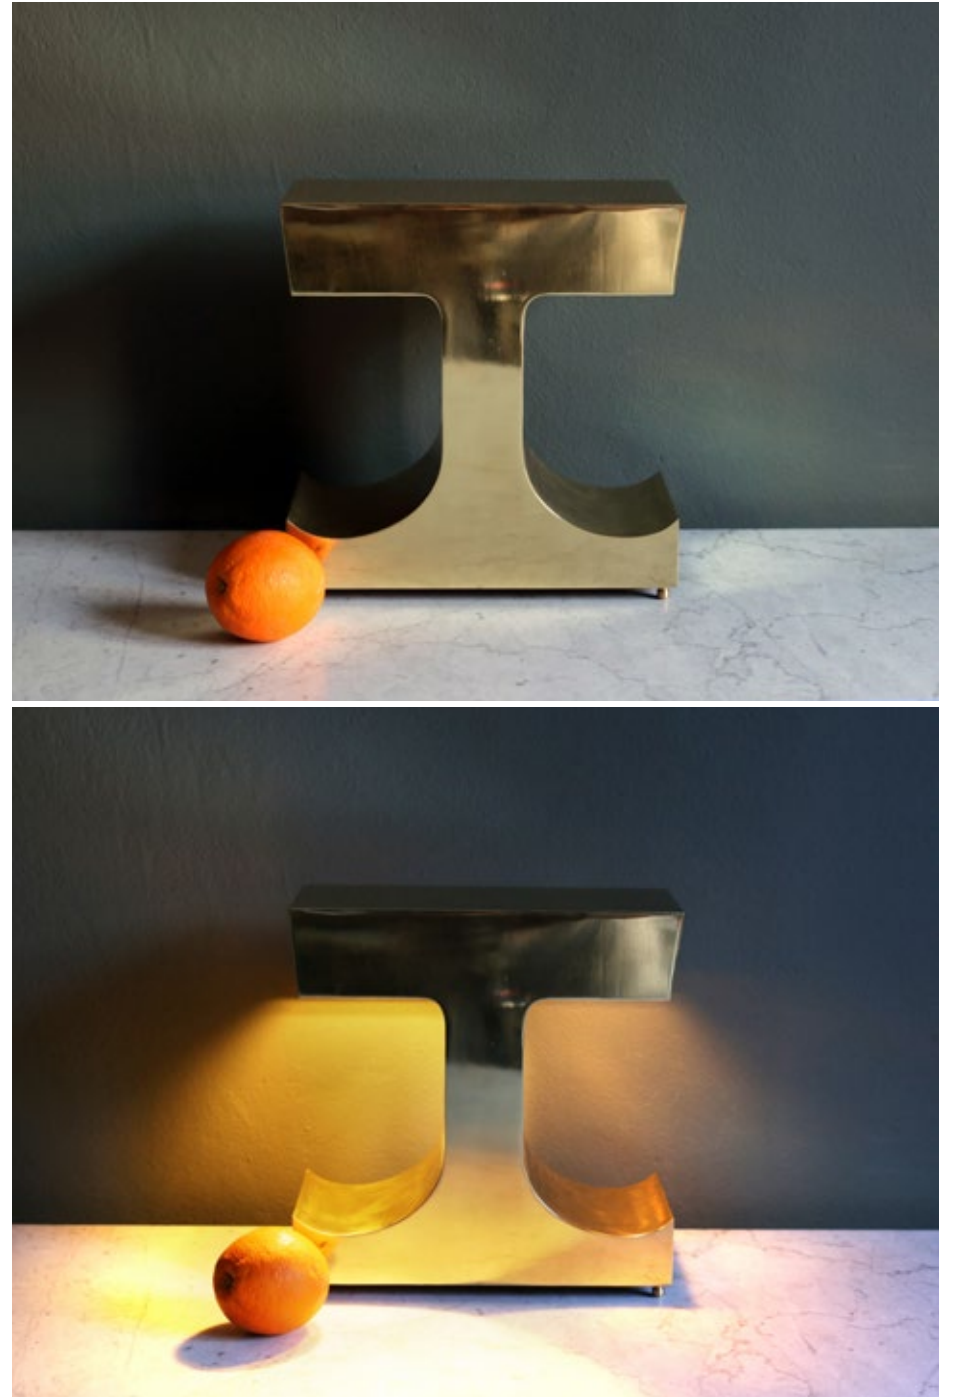

## T LAMP

We love a good discreet table lamp and we designed the T Lamp to be an interesting objet, even when unlit. Like the letter “T” which at the end of some French words is silent like *discret* (discreet), this table lamp won’t gossip about what it sees and hears.

Created entirely by hand by our popham+ brass team, the lamp is wired for two standard E26 light bulbs. We recommend a low, moody wattage.

**MATERIAL** brass, marble  
**FINISH** available burnished or polished  
**SIZE** 29 x 14 x 30 cm

## FURL TABLE LAMP & PENDANT

Inspired by the petals of a tulip as they begin to unfurl in the morning light, FURL comes as a table lamp and also a pendant version. The furl is constructed from three ceramic discs - fired but not glazed - secured with handsome brass "buckles." The table version has a 2-tone marble base and the pendant version hangs from a brass rod, whose length can be customized. The lamps are lit by an integrated, high CRI LED.

### TABLE LAMP

**MATERIAL** brass, ceramic, marble, acrylic light diffuser

**FINISH** available burnished or polished

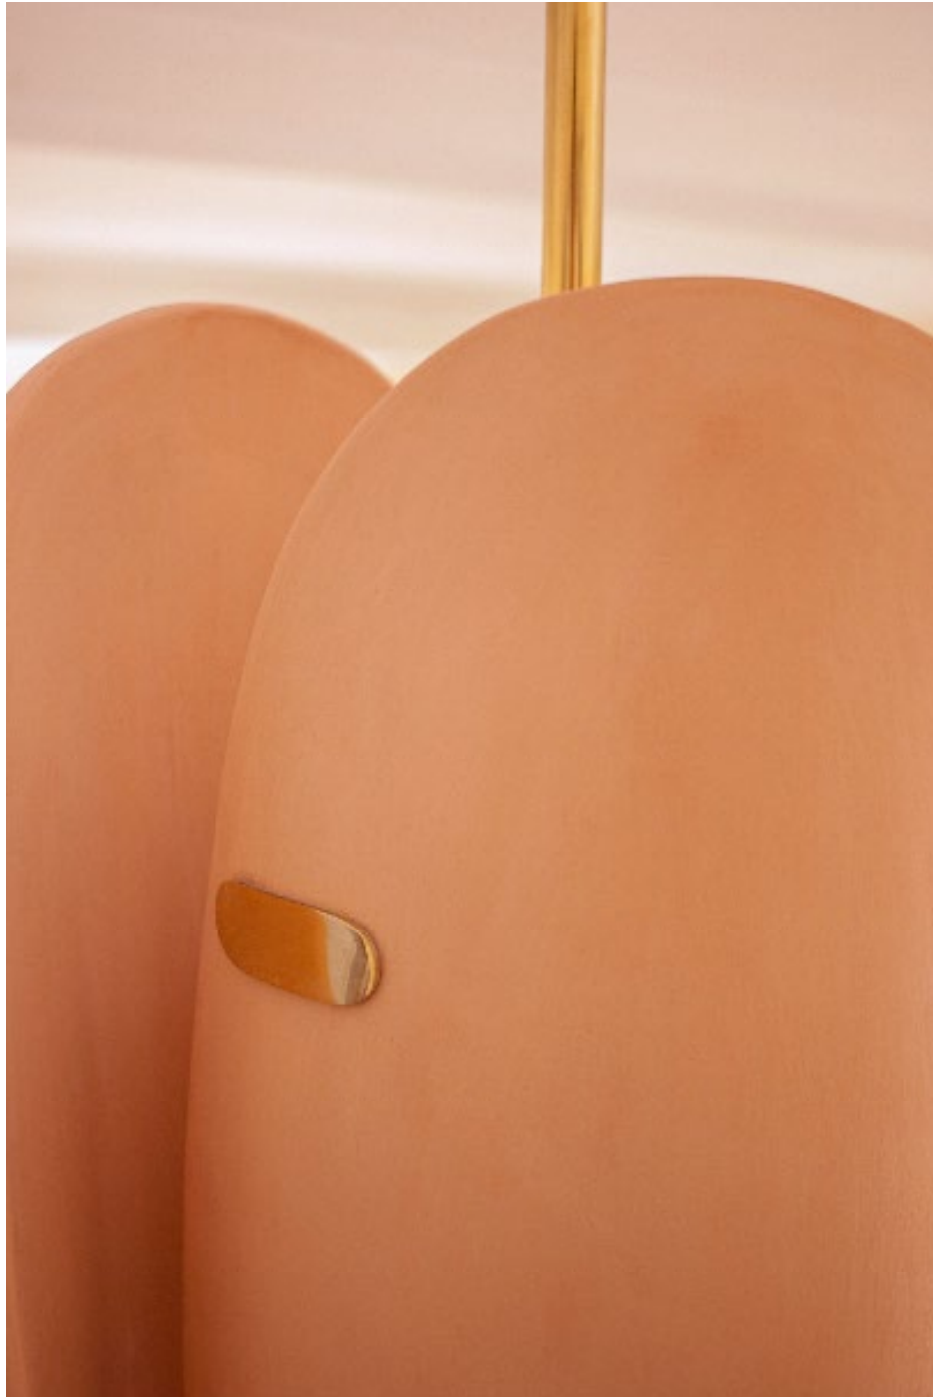

**SIZE** 30 x 30 x 72 (h) cm

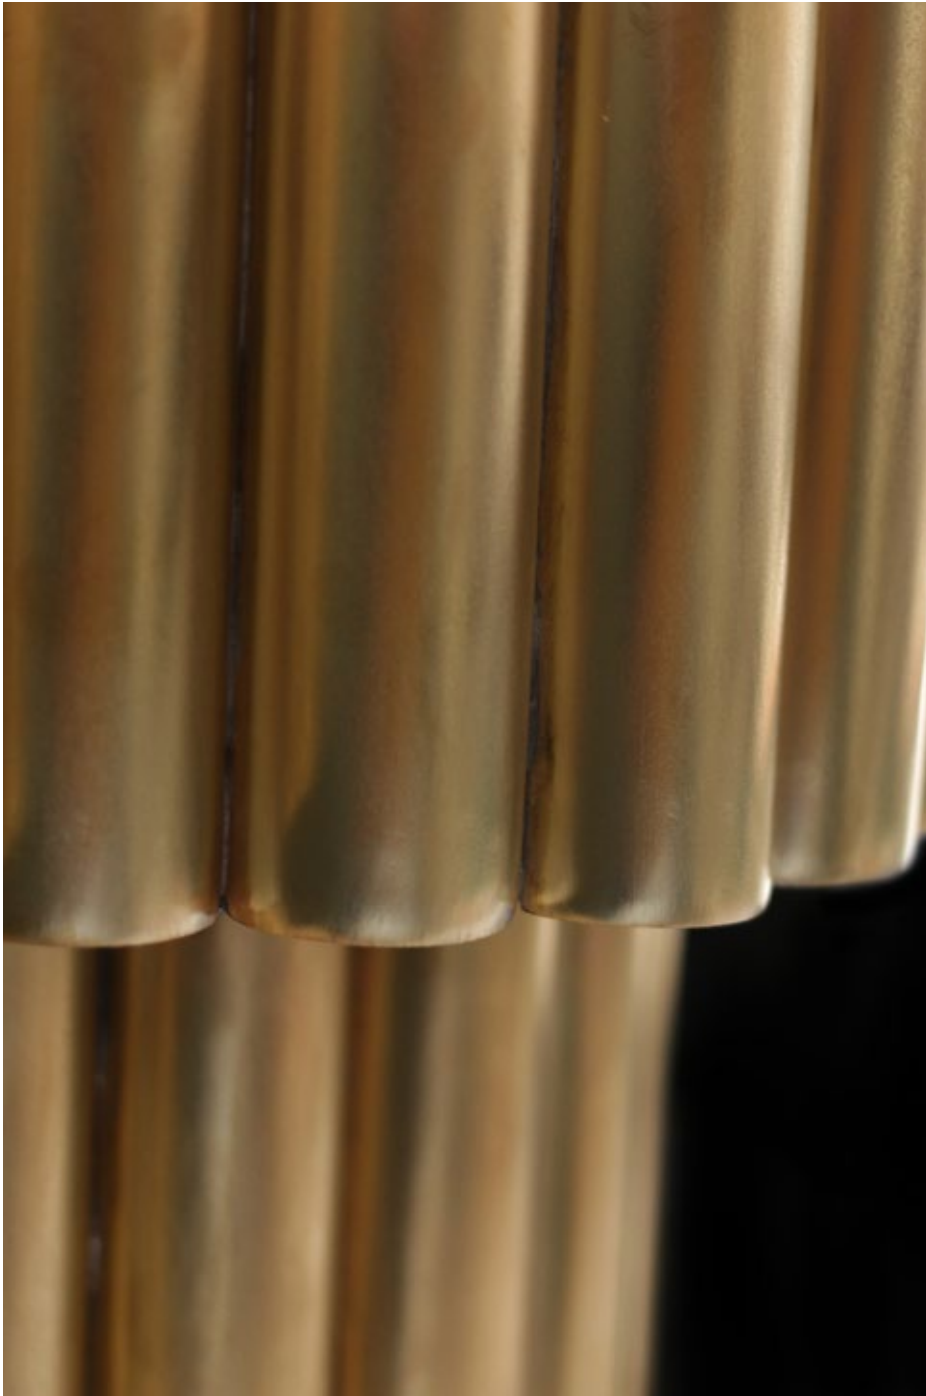

### PENDANT

**MATERIAL** brass, ceramic, acrylic light diffuser

**FINISH** available burnished or polished

**SIZE** 30 x 30 x (Height customizable)

## CANELÉ LAMP

The Canelé Lamp is inspired by the striated caramel crust (canelé means fluted) of our favorite French pastry, a divine rum-flavored custardy-caramel treat which originated in Bordeaux. The fluting in this lamp is with brass, not sugar, and instead of a cylinder, the lamp undulates amoeba-like.

Created entirely by hand by our popham+ brass team, the lamp ships with an integrated, high-CRI LED.

**MATERIAL** brass, marble, acrylic diffuser

**FINISH** available burnished or polished

**SIZE** 61 x 33 x 38(h) cm

## EGG TABLE

Echoing the organic shape of our Golden Egg sconces, this marble Egg Table comes in two sizes - coffee table and breakfast table. Although made of stone, the table has a lighter profile because of the ovoid cut outs in its two base pieces. Available in Moroccan white marble (mined in the Atlas mountains) or a Guatamalan green marble.

**MATERIAL** marble with iron support frame

**FINISH** honed

**TALL SIZE** 110 x 76 x 73 cm with 3 cm marble

**SHORT SIZE** 73 x 50 x 48 cm with 2 cm marble

## PENTAGON STOOLS

These handsome brass Pentagon Stools are happiest in pairs – tall and short – and won't shy away from work as side or coffee tables. Flexible is their middle name. The stools are constructed of an MDF shell clad in 1mm brass. The cladding and polishing is the work of our popham+ brass team. Handmade start to finish in Marrakech.

**MATERIAL** MDF frame clad in 1mm brass  
**FINISH** available burnished or polished  
**TALL SIZE** 50 x 31 x 45 cm  
**SHORT SIZE** 50 x 31 x 40 cm

## FIREWOOD CONSOLE

With its marble-topped iron frame and sexy leather sling, this Firewood Console table is entryway-approved or quite comfortable nestled near the fireplace serving aperitifs. Made by hand in Marrakech.

**MATERIAL** marble, iron, leather  
**SIZE** 135 x 100 x 45 cm  
**COLORWAY 1** white, black  
**COLORWAY 2** black, black

## SADDLE MAKER'S SWING

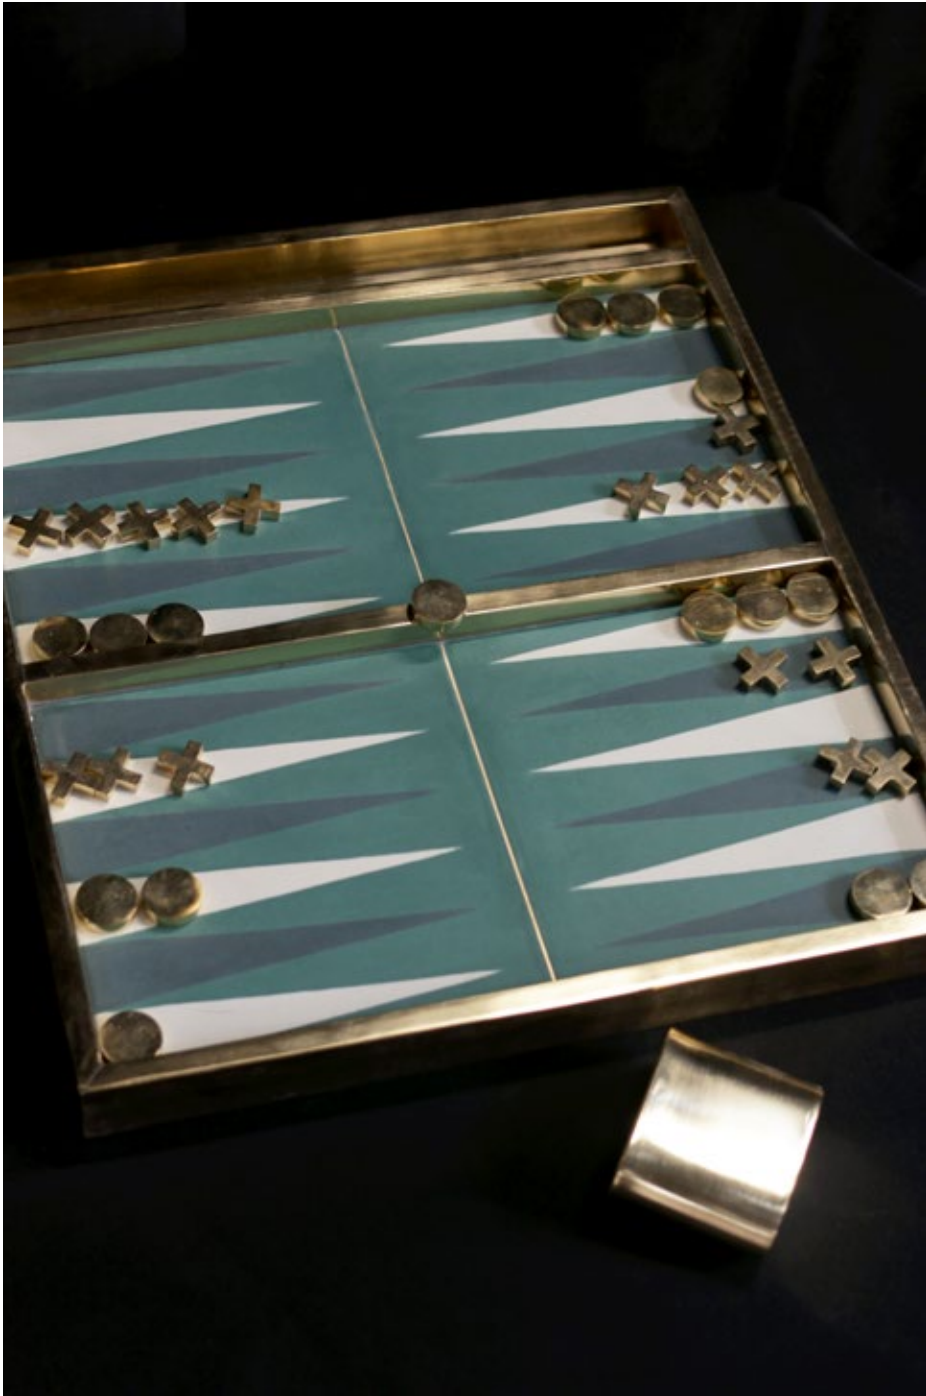

Nothing provides a nostalgic lift like a turn on a swing. This Saddle Maker's Swing takes advantage of the leather know-how of Marrakech artisans to bring an elegant saddlemaker's finesse to the balançoire. Made of tanned, braided leather with generous brass ring handholds, the swing has a steel cable skeleton to accommodate fans young and old. Up, up and away!

**MATERIAL** leather, brass, steel cabling  
**SEAT SIZE** 20 x 40 cm  
**CORD LENGTH** 300 cm (standard)

## BACKGAMMON

Backgammon is one of the world's oldest board games, dating back some 5,000 years to Mesopotamia. This set is a personal ode to a favorite table game. The playing board is constructed of popham design signature handmade Backgammon concrete tiles set in a brass-clad frame. The thirty plus- and circle-shaped playing "checkers" are individually hand-cast and polished in our atelier in Marrakech, as are the leather-lined dice shakers.

**MATERIAL** concrete, brass, leather  
**SIZE** 49 x 43 x 4 cm  
**COLORWAY 1** icicle, peacock, milk  
**COLORWAY 2** emerald, kohl, milk  
**COLORWAY 3** fog, flamingo, olive

## BEAN BOX

The Bean Box is a curvy little number, perfect for stowing keys and other desktop clutter. It is handmade from solid brass in our Marrakech workshop. And while one Bean is nice, a pair is rather smart.

**MATERIAL** Brass

**SHORT** 18 x 11 x 7 cm

**TALL** 20.5 x 12.5 x 10 cm

## PLUS PULLS

These solid, cast-brass Plus Pulls are hand crafted in our Marrakech atelier. The smooth feel and heft of these pulls is akin to a favorite vintage buckle. A four-step polishing process culminates with a cowhide buffing. The end result is a handsome polish, not too perfect.

**MATERIAL** cast brass  
**DIMENSIONS** 6 x 6 x 4 cm

## SPLINTER RUGS

Drawing from Moroccan tradition, popham+ rugs are imbued with character both graphic and organic. This inaugural collection focuses on abstractions of the signature popham design Splinter pattern. A pentagonal hand-knotted rug is available in luscious wool-silk, and a rectangular flat weave is available in cotton or wool (shown at left).

**FLAT WEAVE MATERIAL** 100% wool or cotton  
**SIZE** approx. 240 x 300 cm, 8 x 10 ft
